New England Rare Coin Galleries presents...

OUR BEST SELECTION EVER

Choice U.S. coins graded accurately and priced realistically. No, we don't have any coins at half catalog (or any kind of bargain prices for that matter). But if quality and value are important to you, order your coins from New England Rare Coin Galleries.

We deliver properly graded coins,...consistently. When you order an uncirculated coin from us, that is what you get. Many dealers sell what we call "borderline Unc" (or in a few cases what we call AU or even EF-AU!!) as BU. No wonder their prices are lower than ours!

So, when you compare price, compare quality as well. We expect that we will emerge the winner in such a comparison, time after time. In a relatively short time, we have become one of the largest dealerships of choice and rare U.S. coins in the United States. That is because we offer quality and value...and we have the customers to prove it!

Send us an order today and see for yourself why..."Business is being done at New England Rare Coin Galleries."

Best regards,  
Jim Halperin & the rest  
of the staff at N.E.R.C.G.

UNSOLICITED TESTIMONIALS

Letter sent to the publishers of COIN WORLD:

"...Over the past several months I have purchased coins through the mail from several of your advertisers and a lot were returned as they were overgraded. However, I have found one dealer that deserves to be recognized as honest, fair and reliable. He is New England Rare Coin Galleries of Framingham, Mass. Not only does he send coins as advertised, but he actually undergrades them. Every coin I have purchased from him has been a gem. I almost gave up on mail orders before I did business with him. The reason I am writing this letter is that I feel he deserves special merit at a time when a lot of people are complaining about dishonest dealers. He truly is an honest dealer and I expect to do all my business with him as he deserves it..."

S.S., Willingboro, N.J.

"This is the third order this month because I like the grading. Let's keep on! "

G.L., N.Y., N.Y.

"Thank you for your check...if you ever need a testimonial about your service I will always give you the reputation of the "fastest check in the East."

E.P., Miami, Fla.

"Your grading of the coin was right in the ball park! Thanks again!"

J.D., Wallington, N.J.

"I have just received the 2 \$20 gold pieces I ordered and I can understand why you get letters of praise. I think by far this is the finest selection I have ever received through the mail and I am sure we will do a lot of business in the future. It's nice to know there is an honest dealer to do business with."

S.S., Willingboro, N.J.

"More often than not, I have been disappointed by mail order purchases, even by purchases from some of the biggest national coin advertisers. I have never before written a letter of praise to a coin dealer. I am happy to do so now; you are a credit to the profession of numismatics."

G.G., Decatur, Ga.

"Thank you for the wonderful quality and great service."

V.B., Imperial Beach, Cal."

"I received the 1881 Gem \$1 gold and I'm delighted with it. I think your grading is correct, the first company I have found yet. You have a new customer in me."

A.F., APO, N.Y.

"Seldom does an individual have the opportunity to deal with a business that considers customer satisfaction first. I sincerely appreciate your consideration of my recent correspondence. Because of the fair and courteous manner in which N.E.R.C.G. conducts business transactions, you have a new customer."

T.M., Va. Beach, Va.
